

# NEW YORK GRADUATE SCHOOL OF Psychoanalysis

## REGISTRATION INFORMATION SPRING 2012 Registration Deadline: January 20, 2012

### Summary of Registration Process

1. The student schedules an advisement meeting with the assigned advisor. At the meeting, course selection is discussed and agreed upon, and the advisor signs the registration form.

If the student is ready to begin fieldwork, that student will have: completed PT 184 Primitive Mental States, completed a minimum of 15 hours of PT 7 Individual Psychoanalysis, filled out an Application for Field Placement Program (requiring the advisor's signature of approval), and met with the Fieldwork Coordinator to discuss field placements. The student may then register for the first of the required three semesters of PT 185 Clinical Experience in Institutional Settings and PT 111 Fieldwork Discussion Group.

2. The student fills out the **registration form** *completely*, including choice of courses, the location of the Fieldwork Placement (if applicable), the name of the PT 525 Directed Research reader (if applicable), and the name of the PT 111 instructor (if applicable).

3. The student's individual psychoanalyst fills out and signs the PT 7 Statement of Individual Analysis, indicating frequency of analytic sessions and psychoanalytic training.

4. The student totals the course tuition and fees in the Tuition and Fees table on page 2 of the registration form.

5. The student mails or delivers the registration packet and fees to the registrar by the registration deadline January 20, 2012.

**Incomplete forms are returned to the student, delaying registration.** Registration is considered complete when

- the student has secured all required signatures **on the registration form**.
- the student has submitted all completed PT 7, medical insurance, and immunization forms.
- fees are paid in full. Payment *or* an approved arrangement for payment as set forth in the Financial Form is due with registration.

### WHO MAY REGISTER?

Registration is open to new students who have been accepted into the Master of Arts Program and to returning students in good standing. Students not admitted to the program should contact the Program Director regarding course options.

### EXTENDED PAYMENT PLAN

**NYGSP** offers an extended payment plan to students in good standing. It enables a student to distribute tuition costs over the course of a semester. In order to use the plan, students complete and sign an Extended Payment Plan contract (section *two* of the Financial Form) and return it with five post-dated checks, along with the fee for the plan (\$60.00). The five checks must be **approximately** equal in amount, but rounded off to the nearest five dollars. All checks and the form are due with registration before or by the registration deadline. The first check has the date of the registration deadline, January 20, 2012. Subsequent checks may be dated the **1st** or the **15th** of February, March, April, and May. The form must be filled out completely and signed. Incomplete forms are returned to the student, delaying registration.

### PT 7 ANALYST STATEMENTS

All students are required to be, at minimum, in a once-a-week individual psychoanalysis with an approved analyst. Unsigned analyst statements will be returned to the student and delay admission to class.

## **ATTENDANCE AND ASSIGNED READINGS**

Students are allowed two excused absences per class per semester. More than two absences result in no credit. Please be aware that many classes have a reading assigned for the first class meeting. Please check the reading list for the classes for which you have registered so you can be prepared for the first class.

## **LIBRARY COPIER ACCESS**

The library has two copiers for student use. Copies (and prints) cost 10¢ each. Students establish an account and set up a numerical password with the librarian in order to use the machines.

## **CURRICULUM SUPPORT FEE**

The Curriculum Support Fee pertains to all students. The fee allows for the addition of services and improved facilities for the graduate students.

## **CONTINUING EDUCATION CREDITS**

Students who wish to receive Continuing Education units or Professional Development Points for this semester's courses submit a Continuing Education Request Form and a fee to cover administrative costs. Students may request the C. E. Request Form from the registrar for more information. The C. E. Request Form and fee (include a separate check payable to **NYGSP**) are due at registration. At the end of the semester, a continuing education certificate is issued after completion of the appropriate evaluation form. Evaluation forms are distributed on the last day of class or may be picked up in the administrative office.

*The New York Graduate School of Psychoanalysis may withdraw, add or modify courses as necessary.*

## **FEDERAL FINANCIAL AID (SEE P. 3)**

Students may now apply for **financial aid through the Federal Family Education Loan Program**. Ms. Stephanie Woolbert, NYGSP's financial aid officer, will administer the program from Boston. Her phone number at BGSP is (617) 277-3915, ext. 20. Mr. Guttman, the NYGSP registrar, will assist Ms. Woolbert from New York. He has applications and cost-of-living worksheets for interested students.

## **INTERNATIONAL STUDENTS**

International students are not eligible for US Federal Financial Aid. Information on aid for international students can be found at <http://www.edupass.org/finaid>. Additionally, students may consider applying to the Fulbright program (<http://fulbright.state.gov/fulbright/become/howdoiapply>).

**ASSISTANTSHIPS** are offered after completing the equivalent of one year of coursework. Please contact the Administrative Director, Mr. Lieber, for more information.

## **SCHOLARSHIPS**

NYGSP does not offer scholarships. Students are encouraged to seek outside scholarships. If you need assistance, contact the Director of Financial Aid, Ms. Woolbert, at (617) 277-3915, ext. 20 or [financialaid@bgsp.edu](mailto:financialaid@bgsp.edu).

## **PT 140 SOCIO-CULTURAL INFLUENCES ON MATURATION & PSYCHOPATHOLOGY**

This spring, for the first time, NYGSP students are invited to enroll in PT 140 Socio-Cultural Influences on Maturation & Psychopathology, a three-credit elective. This semester instructor Mr. Richard Sacks has added the subtitle "Sexual Identity and the Media: from Freud to Gaga." Through film, TV, and other media, the class will examine current thinking on sexual identity and explore the role of society and culture---along with the drives---in determining our sexual selves. This course includes a weekly lab component in a setting chosen by the student.

## **WILLIAM D. FORD DIRECT LOAN PROGRAM - STAFFORD LOAN-6.8%**

- Fixed rate.
- Guaranteed to receive loan if student meets eligibility requirements.
- You must complete FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Our FAFSA school code is G31943.
- Annual limit of \$8,500.00 subsidized (government pays the interest while you are in school)/ \$12,000.00 unsubsidized (you pay all the interest, although you can have the payments deferred until after graduation). Aggregate loan limit is \$138,500.00 for graduate students, \$65,000.00 of which can be subsidized.
- Loan Entrance and Exit counseling is required at <http://mapping-your-future.org>
- You may defer repayment until 6 months after graduation.
- You may pay interest-only while in school (to avoid compounded interest). You may make a payment at anytime without penalty.
- You may defer undergraduate loans while in school.
- To qualify, you must be a U.S. citizen or eligible non-citizen (i.e. non-resident alien, citizen of U.S. Territory).
- You must be registered at least half-time (4 credits or more). Special status for students who have completed all coursework and are working on their Thesis or Clinical Paper. For Financial Aid purposes only, all coursework and other requirements must be completed. You must be registered for at least 2 credits of PT 525 Directed Research each semester, up to three (3) semesters, to qualify for Federal Student Aid. It is possible for some students to complete their thesis or clinical paper in less than three semesters. It is also possible for a student to take longer than three semesters. No Federal Student Aid will be disbursed to a student that registers for less than two credits of Directed Research and/or takes longer than three semesters to complete their thesis or clinical paper. Please see the student bulletin and your advisor for information on thesis, clinical paper completion and graduation requirements.
- Satisfactory Academic Progress: To receive Federal Student Aid, you should be in good academic standing by progressing through the program, earning passing grades and making up any incomplete (INC) grades by the deadline. If you do not meet this requirement, you will not be eligible to receive Aid and your loan may go into repayment, until you are once again in good standing.
- There is a time limit for receiving Financial Aid. Withdrawing from a class may leave you in less than half-time status and/or leave you in jeopardy of not completing the program in a timely fashion. Students are required to complete the program within 1½ times the published program length. For example, a full-time student in a two-year program has three years of Aid eligibility. If a student is registered part-time, the length of eligibility must be prorated. Please note that aid is based on the academic year and does not necessarily take credit hours into consideration.
- Withdrawal from the program may affect loan eligibility. The Federal Student Loan law requires that a student who withdraws from school may be obligated to pay back unearned loan funds to their lender. The general rule allows the loan to be prorated from the beginning of the semester up to the withdrawal date. Once a student has attended 60% of the semester, all funds are earned and no payback is necessary. If the student fails to officially withdraw in writing, the last date of attendance will be their official withdrawal date. Please note that our withdrawal/refund policy differs from Financial Aid rules. Though the school may refund the prorated amount of tuition to the lender, the student may end up owing a balance to the school. Also, if you received loan proceeds for living expenses, you may also be obligated to pay back the unearned portion, out of pocket. The Director of Financial Aid will notify you if this is the case. The amount owed will be reported to the National Student Loan Database System (NSLDS). The student is obligated to notify the US Department of Education (the lender) of any changes in status, residence, or other eligibility and contact information at 1-800-848-0979 or online at [www.dl.ed.gov](http://www.dl.ed.gov). You may look up your entire loan history by using your PIN ([www.pin.ed.uov](http://www.pin.ed.uov)) at the NSLDS website ([www.nsls.ed.gov](http://www.nsls.ed.gov)). It is imperative that you contact the Director of Financial aid if your status changes.

Status changes are as follows:

- Withdrawal from the school,
- Dropping from full-time to half-time,
- Dropping below half-time,
- Your expected graduation date changes.

## **WILLIAM D. FORD DIRECT LOAN PROGRAM - GRAD PLUS Loan-7.9%**

- Fixed rate.
- A credit check is required, and only credit-worthy students will be approved. Students may have a US citizen co-sign the loan.
- Must complete FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov)
- Does not affect your aggregate loan limit.
- Loan Entrance and Exit counseling is required.
- Goes into immediate repayment unless the student defers repayment until after graduation.
- You may pay interest-only while in school, or may make a payment at anytime without penalty.

## **VETERANS EDUCATION BENEFITS**

Only the Brookline, MA, BGSP campus is approved by the Department of Veteran's Affairs for students to claim their Veteran's Education Benefits. Because each state is in charge of the approval process, we are currently working on our New York approval. We are *not* approved in New York at this time.
